GEN. KUROPATKIN LOST

Battle Reported to Have Occurred Near Sumtse—Russian Positions Abandoned.

FAVORITE BADLY BEATEN.

Derby Was Won By St. Amant Today.

London, June 1.—The Derby was won today by St. Amant, owned by Leopold Rothchild, and ridden by K. Cannon. The betting on the winner was 50 to 1. Sir Totton Sykes' colt, John O'Gaunt, ridden by Thurstby, was second, S. R. Joel's St. Dennis, with Hasley up, was third. The French horse, Government, the favorite at seven to four, made but a poor showing. The track was heavy. The race was viewed by King Edward but Queen Alexandra was not present.

The only American bred colt in the going was Lanoshire, owned by Buchanan, the whiskey distiller. The odds against the colt were four to one and he had but a small following. There were no American jockeys engaged to ride in today's race.

A PROMINENT MAN

Samuel R. Callaway Died in New York Today.

New York, June 1.—Samuel R. Callaway, president of the American Locomotive Co., died here this morning as the result of complications following an operation for disease of the mastoid bone. For years Mr. Callaway was prominent in railroad circles, having been president of the Lake Shore and then of the New York Central.

At one time he was vice-president of the Union Pacific, and recently had been prominent in the councils of the National Civic Federation. He was born in Toronto, Ont., in 1850.

PLANS WHOLESALE MASSACRE.

Sultan of Turkey Said to Think It a Suitable Time.

Berlin, June 1.—All Norri Pasha, a Turkish reformer, contradicts an article in the Zeitung in which he intimates that the Sultan of Turkey is planning a great and final massacre of Armenians, the result of which will be the total annihilation of the Armenians in the Ottoman empire.

This, says Ali Norri, has been the Sultan's life long ambition and he believes a suitable time for the performance of the deed has arrived.

CHRISTENING AN OIL WELL.

Schoolteacher's Tall Climb to Break Bottle of Champagne.

Miss Elvyn Houston, a schoolteacher at Chandler, Okla., established a precedent when she christened the oil well which is being drilled near Chandler, says the Kansas City Journal's correspondent. While there will doubtless be few young women with the temerity which she exhibited in climbing the ladder and breaking a bottle of champagne across the bar at the top of the derrick, no new oil company in the territory can start out under auspicious circumstances unless this is done.

Miss Houston is a quiet, unassuming little woman and had no idea of christening the well when she, followed by her classes, went to the well. Some one suggested that the well be christened before active operations were commenced, and Miss Houston, in a spirit of banter, agreed to perform the ceremony if some one would get the wine. This was easily done, and, true to her word, Miss Houston climbed the seventy-five foot ladder and broke the bottle.

When the board of directors heard of the act a meeting was called and Miss Houston was voted a free pass to the St. Louis exposition and to have her other expenses paid during her stay there, as well as coming from and going to the fair.

Saunders and Crickets.

Common snuff if sprinkled well into cricket holes will help to drive them away.

Door That Shoots.

A man named Kravies has been sent to prison at Vienna for fixing a lock that fired shots to the door of his flat. A woman who tried to open the door was hit.

STILL A MYSTERY.

Cause of Private Bernard's Death Not Yet Known at Fort Ethan Allen.

Burlington, June 1.—The death of Private Frank Bernard of the 15th cavalry at the post is still a mystery. The officers at the garrison are very reticent about the affair. That the man had a fall is generally believed, but his other injuries are still unaccounted for. Private Mice is still in the guard house and investigations are pending, but it was impossible to get any additional facts bearing on the case. All the men at the post are looking around for evidence, but the chances are all in favor of a verdict of accidental death. The case of Private Mice of the artillery, who stabbed one of his companions with a knife on May 28, was tried by a general court martial yesterday afternoon.

The findings in the case will not be known until the proceedings have been returned from department headquarters.

HE PLEADED GUILTY.

A. A. Welcome Used U. S. Mail Fraudulently.

Windsor, June 1.—The opening session of the United States Circuit and District courts was held yesterday. In the case of the United States vs. Adol. A. Welcome, respondent pleaded guilty to one count and the others were not prossed. Sentence was suspended and Welcome given an opportunity to complete the unfilled orders received by him. After the post-office department is satisfied he has filled all his contracts the fraud order issued against him will be rescinded.

THE ROSEBUD RESERVATION

South Dakota Lands Soon to Be Thrown Open to Settlement.

The unallotted lands of the Rosebud Indian agency, situated in Gregory county, S. D., have been turned over to the government for public allotment, and one more of the few choice tracts of public lands now remaining are to be thus thrown open.

Under President Roosevelt's proclamation United States registry land offices are to be opened July 3 at Yankton, Fairfax and Bonesteel, S. D., for the registration of applicants for these lands. The registration books will remain open until July 23, and commencing July 28 drawings will take place to determine the order in which the applicants will be permitted to make final entry and settlement. The final entry begins at Bonesteel, Aug. 8. No one is permitted to register or make entry to land by mail, but must be personally present at one of the three points named for registration and at Bonesteel for final entry.

The Rosebud Indian reservation is probably, acre for acre, the richest piece of public land that the government now controls. In fact it is doubtful if any reservation ever thrown open by the government represented so high an actual average value for its lands on the day of opening.

The lands in question comprise 382,000 acres, situated between the Missouri and Niobrara rivers, in the southeastern part of South Dakota, in the great corn belt, where adjacent lands are selling at from \$25 to \$40 an acre. The government will dispose of the public lands of the reservation at a nominal sum, in easy payments—\$1 per acre in cash, 75 cents per acre at the end of two years, 75 cents more at the end of the third and fourth and within six months after the expiration of the fifth year, a total of \$4 an acre. The Chicago and Northwestern railway extends to the reservation border at Bonesteel.

IRISHMAN'S REQUEST.

Asked Treasury's Leave to Have His Clothes Laundered in Ireland.

A Virginia Irishman has requested permission of the treasury department to have his clothes laundered in Ireland, says a Washington special dispatch to the Philadelphia Press. He has written to ask if there is any law to prevent him sending his wash back and forth.

"I find," he says, "that the laundries in this country are most unsatisfactory. In the old country they 'do up' collars and cuffs and boiled shirts in much better shape."

The treasury department, after careful investigation, informed the Virginian that if he could satisfy the collector at the point from which he shipped that the fabrics would undergo no change the department could not levy duty on the goods.

Novel Method of Profit Sharing.

A shirt waist manufacturer in the wholesale market surprised the employees a few days ago by announcing that he intends to retire from active business in their favor, says the New York Times. His plan is to turn the plant over to tried and true subordinates, with the stipulation that in case the business should prosper they are to pay for the property on the installment basis. In the event of time demonstrating that these trustees cannot make a go of the enterprise, the boss is to take charge of affairs, assuming all liabilities, and begin anew to build up trade.

National Marriage Law.

A national marriage law is being advocated by many people, says the Cincinnati Commercial Tribune, who see in it a cure for the conditions now admitted to be in existence in Italy, as well as a remedy for the confused and often demoralizing state of divorce and remarriage in many of the states.

CARRON-GOMO.

Barre Young Lady Bride of Lowell, Mass., Man.

The marriage of Miss Abbie Gomo, daughter of Mr. and Mrs. John Gomo of No. 488 North Main street, to Charles Carron of Lowell, Mass., was solemnized at 8 o'clock this morning in St. Monica's church. Rev. Father P. M. McKenna celebrated mass. It was a very pretty wedding and was attended by a large number of friends and relatives.

The bride was handsomely gowned in white voile over white tulle and carried bridal roses. She marched in on the arm of her father to the strains of Mendelssohn's wedding march played by W. H. Gale and was met at the church by the groom. Miss Rose Cook was bridesmaid and a brother of the groom acted as best man. Cecelia Lorretta Plouffe and Gladys Gravelin were flower girls.

Beautiful music was rendered during the ceremony. A quartette consisting of Miss Mary Fallon, Mrs. J. S. McSweney, Joseph Hamel and Mr. Trombley, sang "Katie" from Conconi's mass, also "Agnus Dei" from Briggs mass. Miss Mary Fallon sang "O, Salutaris" and Mrs. McSweney and Miss Fallon sang the beautiful duet "Ave Marie." For the postlude W. H. Gale played the Lohengrin march from Wagner. Following the ceremony a wedding breakfast was served at the bride's home to only the immediate friends.

The bride is a very popular young lady in this city. She has been a saleslady in Homer Fitts' store and was a member of St. Monica's choir. She will be greatly missed in both places. Mr. and Mrs. Carron left on the noon train for a short tour after which they will reside in Lowell, where the groom is the proprietor of a bakery.
